PERIOD RED RIDER TICKETS

Using our buses

- When you see the bus heading towards you just put your arm out so the driver can see you.
- Take a seat and relax or hold tight if one isn't available and you have to stand.
- When you want to get off the bus, press one of the 'stop' buttons located throughout the vehicle and the driver will pull up at the next available bus stop.
- We care about your safety and for this our drivers need to dedicate their attention to driving when we're on the move. For this reason we would ask politely that you do not distract the driver unless in the case of an emergency.
- Don't be afraid to tell us what you think. If one of our drivers has exceeded your expectation or has fallen below the high standards of customer service we expect from them, we would like to know.

Weekly tickets

One of our most popular tickets, these offer the regular customer totally unlimited travel between your two chosen points on the same route for seven consecutive days.
